

PEACH COBBLER

Ingredients

- 1 large can of peaches
- 1 small can of peaches
- 1 bottle of caramel topping
- 1 box yellow cake mix

Directions

1. Drain both cans of peaches; save the liquid from the large can.
2. Cut peaches into bite-sized pieces.
3. Mix the liquid from the large peach can with the dry cake mix; add peaches and 1/3 bottle of caramel syrup; mix.
4. Pour into a preheated Dutch oven and bake for approximately 45 minutes.
5. Serve with the remaining syrup
